## Raquette Lake Library

Section 2: We value your opinions. Please answer the following questions:

5. What do you value most about the library?

The library is an important part of the village. Every member of our family values the library for various reasons from DVD rentals, books, internet access / printing + computer use. The librarian and staff are also wonderful community resources that we have used often.

6. How could the library or its services be improved, if at all?

The library has been run wonderfully over the years and I appreciate the director as well as the board constantly working to improve it's function in community.

7. How does the library benefit you or the community?

Story time and the childrens programs (the dye day, visit with animals etc.) are marvellous.

Great resource for local and vacationing visitors.

The computer / printer / internet has been incredibly helpful when an important document needs to be managed on a deadline.

Thank you for your time! If you have questions about this survey or about the library, please contact us at [raquettelakelibrary@gmail.com](mailto:raquettelakelibrary@gmail.com).

We would just like to express our gratitude to the library director, board, and all the staff and volunteers of the Raquette Lake Library. We have had the pleasure of using the library for over 20 years and have enjoyed many of its programs. My children not only enjoyed storytime but the director, Carolyn, gave some terrific recommendations of book series for the kids to read. My daughters have always been big readers and found Carolyn's recommendations to be excellent. More impressive, my son (not a big reader), was able to find books that he was actually excited to read (The Spicewick Chronicles). As a family it is always fun to go to library to pick out a movie or six. The internet access is an extra assurance to my husband that he can check his emails / work documents while at the lake. We are from an area with an extensive and elaborate library system yet the library we love and use the most is the Raquette Lake library. It is an excellent and important part of the community. Thanks again to the director and staff for all their hard work and dedication, and to the board of directors for volunteering their time and knowledge to keep this gem of a library part of the Raquette Lake community.

Section 2: We value your opinions. Please answer the following questions:

5. What do you value most about the library?

It is a place to go and meet people who have the same interest in checking out a book or a movie tape. We have been coming to Raquette for over fifty years. We are just getting too old (95 and 96) to get involved in anything. We are hoping some of our family will be up this summer to see our home on Bluff Point.

6. How could the library or its services be improved, if at all?

You might be open more days or more hours.

7. How does the library benefit you or the community?

It is a great meeting place to see friends and talk to the librarian. The book sale is a great way to get out and meet people or also buy some wonderful books.

Thank you for your time! If you have questions about this survey or about the library, please contact us at [raquettelakelibrary@gmail.com](mailto:raquettelakelibrary@gmail.com).

5. What do you value most about the library?

The opportunity to borrow books when I'm at Raquette Lake.

6. How could the library or its services be improved, if at all?

7. How does the library benefit you or the community?

The access to books, DVD's, internet is very important. And to have all this conveniently in 'our' small village is wonderful. The programs, especially the Annual Book sale, brings people together who otherwise might stay isolated in their cabins.
