ILL deliveries are on M, W, F (This is for the north country Libraries, LGL, IND, ILT, RLL)

Our Item Circulation and ILL Out (Items Transferred to Fill Holds) are on par for 2025 and 2024. With WiFi being more accessible to local and summer homes, there is a decrease in our WiFi use from 2024. Surprisingly, more so in July (down 95), then in June, May, April (down 8, 20, 19, respectively).

It has been a consistently busy summer. Storytime was well attended until these last 2 Tuesday in August, but that is usual as summer is winding down and children are going back to school.

Our children's programs were well received this summer. We had a total of 5 children's programs.

The grand total of the 2025, August 9, book sale was \$3,431.60. Even with our sign "ALL BOOKS ARE FREE – DONATIONS GREATLY APPRECIATED", people are very generous.

Old Business:

- Since mid-July, I have been speaking with Mark Tyoe: Wintergreen Knoll regarding a new bear or loon woodcarving. Update at October Board Mtg.
- The 2025 survey is on the Website. I have been inputting the survey's, that have been received to date.

New Business:

- Since the August 23 meeting, a new garbage can has been put in the library.

All of the above information will be available on the 2025 NYS Annual Report in April 2025.
